Dedication

This year's town report is dedicated to Jane Rosetta Wright, who passed away on November 9, 2019 at the age of 82. Jane was born on September 17, 1937 in Keene, New Hampshire. Jane served for over 50 years as town clerk as well as tax collector, a position she held at the time of her death. Jane was a 20 year member of the Gap Mountain Lions Club, a member of the Meadowood Area County Fire Department Ladies Auxiliary serving as president and treasurer. She was also a member of the Red Hat Society, and the Fitzwilliam Visiting Nurses Association. Jane was a longtime member of the Fitzwilliam Community Church and served as treasurer.

Jane's presence in the community and at the town hall is missed and we are saddened by her sudden and unexpected passing.

2019 REPORT OF THE BOARD OF SELECTMEN

The Board of Selectmen offers this report on a number of initiatives that the Town has been engaged with over the past year. Many of those will continue for the next several years.

First, we would like to recognize and thank the town employees, board members and volunteers for their support and tireless work toward achieving goals. This year "cooperation" was the operative word. Whether it was the Highway and Police Department's support of the Fire Department's initiatives or the collaboration of the Planning, Zoning Boards and Conservation Commission to update ordinances, cooperation amongst all really moved us along.

Regarding Town facilities, steeple renovation tops the list. The steeple was removed in October and reconstruction is well underway. The Board applied for grants and while we did receive a small grant toward the project, the larger grant was not awarded. Our project is clearly reconstruction rather than meeting the definition of a historic restoration, required for the grant. A special thanks to the Highway Department for their assistance on many tasks that resulted in thousands of dollars of savings.

NextEra Energy has applied for permitting of a 30mw solar array to be built on private land located between Route 12 and Fullam Hill Rd. Several public hearings have been held to detail the construction, view-shed, environmental and financial impact of the project. The Selectmen are working with the Planning Board and Conservation Commission to understand the project impact and enter into financial and operational agreements with the town.

A Volunteer Task Force is being formed to evaluate and make recommendations for improved internet service. The group plans to review options for fiber optic connectivity for all residences under a cooperative municipal/corporate agreement. We anticipate recommendations will be made at the March 2021 annual meeting.

Finally, we would like to thank the citizens of Fitzwilliam for their involvement and volunteerism; making Fitzwilliam a great community to live in.

Board of Selectmen

Daniel Baker, Chairman

Robyn Bates

2019 REPORT OF THE HIGHWAY DEPARTMENT

The Highway Department continued with Road Projects and paved Number Four Road. Many rocks were removed, brush and trees were cut, ditches cleaned and culverts flushed out. The Highway Department Road Project Plan is a fluid document and changes are sometimes made due to a number of conditions such as road deterioration, amount of traffic, and available funds. Number Four Road was pushed up the list due to the rapid deterioration of the road surface caused by the current weather patterns we are experiencing. We are getting more rain and freezing during the winter which is probably one of the worst things for roads. Hopefully this pattern will change back to good old winters with lots of cold and snow.

All of the Highway Department's equipment is in good condition and this is largely due because of the Highway Department Crew. Chris, Ryan and Chris aka Silvia do a great job of maintaining and repairing the equipment. They are all dedicated to doing a good job on our Town roads as well as helping with many other projects in Town. I am very grateful to have worked with them for many years and I thank them. We always try our best to address the road concerns of the citizens of Fitzwilliam.

Thank you,
Gene Cuomo, Road Agent

2019 REPORT OF THE POLICE DEPARTMENT

Not only has another year passed but another decade, and with that positive changes at the Police Department. In the beginning of 2019 we welcomed veteran Officer Eric Ammann to the police department. Eric has 21 years of experience in Law Enforcement. Eric is a great addition to the department and has proven to be an asset to the community. In May, Officer Gene Cuomo, graduated at the top of his class from NH Police Standards and Training. Gene's expansive knowledge of the town and its residents is evident in his work as a Patrolman.

Along with the required annual departmental training, we sent two officers for instructor certification. We are proud to announce, Officer Daniel Moore is now a certified Taser instructor and Officer Austin Fuller is a certified Firearms instructor.

This year will bring more collaboration with the Fitzwilliam Fire Department in the way of training, shared staff, and a new entrance to the Public Safety building.

On August 24th the Fitzwilliam Police Association (FPA) hosted the 6th annual Car Show with 175 vehicles in attendance! A portion of the proceeds from this year's show will benefit a MRHS graduate continuing their education in the Criminal Justice/Law Enforcement field, with a FPA Scholarship. For those of you who attended and supported this event, we thank you very much. For those of you who have not been to the car show, we gladly invite you to join the members of the FPA, town representatives and your neighbors at this annual event.

2019 REPORT OF THE TRANSFER STATION

Every year I seem to write about the global changes that affect our small town transfer station and this year is no different. What happens somewhere thousands of miles away can have a huge impact on us in Fitzwilliam. With that being said, the Transfer Station Crew are doing a terrific job in handling, sorting and bailing our recyclables which helps the Town get the best price for them. Their hard work helps to keep as much of our trash from going to landfills.

As a nation we still throw away too much and I can only hope that this trend changes in the future. As landfills fill up and close, we will see increases in costs in handling our trash. Once again we are taking in glass for recycling, although there is not much of a market for it. I continue to watch for opportunities to find uses for the glass and suggestions are always welcome. I want to thank the Transfer Station Crew, Richard, Alan, Dick and Ray for all they do, working those long Saturdays in the coldest place in Town. We are very lucky to have such a great bunch of people, thank you. Also, thank you to all the residents that continue to do a great job with recycling. Our little Town does make a difference in this Big World, no matter how small.

Thank you,
Gene Cuomo, Road Agent

2019 REPORT OF THE FIREWARDS

The year 2019 was a challenging one for the Fitzwilliam Fire Department, and the fire and EMS service generally. Our number of calls declined from 407 to 305. There were 32 mutual aid calls, a considerable decrease from earlier years. Of the 305 calls to which the department responded, 142 were fire related, and 163 were EMS calls.

As the year progressed, new members were added to the department, and the board appointed Assistant Chief Adam Dubriske to be Chief of the Department. The new members have been participating in both fire and EMS related training, working towards Firefighter One and Emergency Medical Responder. Aside from newer members working in these areas, present members continue with fire and EMS training as part of the duties required of the membership.

Our inventory of vehicles includes the 2003 Pierce Contender pumper, the 2009 Mack Tanker, the 2009 Ford 350 Super Duty Forestry Truck and the 2013 Ford Ambulance. Although we had some unanticipated substantial repair bills during the year, we believe that all of the current vehicles are in good working order, and that the pump and ladder tests are up-to-date.

REPORT OF THE FIREWARDS - continued

Unfortunately, it was determined that the 1994 International Pumper had to be taken out of service due to a chassis defect which was not repairable. We are presently working on the replacement of this vehicle.

One of our biggest concerns is the supplying of adequate ambulance service for the people of the town. Consideration is being given to several alternative solutions including the possibility of joining up with one or more adjoining towns to deal with this issue. This is an ongoing project being worked on by both the Board of Selectmen and the Board of FireWards.

As always, the department is interested in meeting with anyone who would like to know more about the department and become part of it. If you are interested in joining, you can contact Chief Adam Dubriske or any member of the Board of FireWards for further information. If you wish to contact us by telephone, please call 585-6561, or stop by the fire station any Wednesday evening.

Some **Statistics** from the Library

- 24,914 items checked out! This comes to more than 10 per resident.
- 976 purchased materials were added to the collection. 99 donated items were also added.
- 294 programs were held with total attendance of 2,557.

- Lego Club (2x)
- Science experiments
- Cooking for kids
- Pysanky (Ukrainian Easter Eggs)
- Eco challenge
- Autumn arts and crafts
- Holiday crafts

While **Wednesday morning storytime** has been an institution here for many years, we now have an additional program for those who cannot come in the mornings. **Thursday evenings** we offer an additional preschool program with stories and crafts for those parents who cannot bring their young children to a daytime storytime.

Library Book Groups are another featured offering, with groups for all ages. We currently offer a group for adults (our group is by far the longest running library book group in the state, in our 25th year!). This group alternates between fiction and non-fiction and is very wide-ranging. In addition, we have groups for teens, and three different groups for school age children. Our children's groups keep reading fun by having snacks, some crafts and games in addition to the book discussion.

Further Highlights of the Library's Year - thanks for many of these programs to the Friends of the Library!

- Kids' Yoga with Robyn Andersen
- Games for Grownups
- Maple sugaring with Matt Buonomano

2019 REPORT OF THE RECREATION DEPARTMENT

The Fitzwilliam Recreation Department offered varied programs in 2019.

Youth Basketball, offered this winter for 6 weeks of practices and games, included 50 area youth. In the fall, 98 kids participated in Youth Soccer. This program also ran for 6 weeks and included a clinic with the Franklin Pierce Soccer Program and a Homecoming Parade at Monadnock Regional High School.

Programs for the youngest members of the community included both the Caregivers/Infant/Toddler Program and the Kids' Yoga. Both activities were held at the Fitzwilliam Town Library on alternating Friday mornings and were free to the public. The C/I/T Program is a playgroup for mothers/caregivers and their children. Once a month there is Nursery Rhyme Time when participants are led in songs, chants, and finger plays with the help from the Fitzwilliam Town Library. Preschoolers and toddlers were eligible for Kid's Yoga instructed by Robyn Anderson.

The Fitzwilliam Summer Recreation Program, which included 42 children, was run by new Director Emily Blohm and a staff of 6 counselors. Days spent at Summer Rec included crafts, games, fishing, and water fun. The camp ventured on field trips to Monadnock Berries, Magic Wings, Yankee Lanes, and Spofford Lake. Animal Encounters, a travelling animal exhibit, visited campers at the Pole Barn one morning.

Come Spring, the Recreation Department collaborated with the Police, Fire, and Highway Departments, plus NH Fish and Game to hold the Annual Children's Fishing Derby. The event was held on a very rainy morning (Sunday, May 19th) at the Village Pond. Prizes were awarded for various category winners.

Open Gym for Men's Basketball was offered once a week throughout the school year at Emerson School. Kripalu Flow Yoga was offered on Monday evenings at the Town Hall. As always, the tennis courts (located next to the school) are open for public use. They were resurfaced this fall and Pickleball lines were added.

The Recreation Department offered kids' crafts at the 2nd Annual Fitzwilliam Fantasy Faire held on October 5th. The Spooktacular Fall Fest followed just a few weeks later on October 26th. The Town Common was decorated with dancing ghosts. The kids enjoyed apple cider pressing, crafts, and games.

The Recreation Department strives to offer affordable programming to the community. The Commission holds meetings the second Tuesday of each month (7:00 p.m. at the Fitzwilliam Town Hall). Office hours are Tuesdays and Thursdays from 1:00-3:00 p.m. Contact us at fitzrec@fitzwilliam-nh.gov or by phone 603-585-7270.

2019 REPORT OF THE CEMETERY TRUSTEES

Work Force:

In 2019 we operated with two part time employees. Finding workers that were qualified and willing to perform manual labor was a challenge that was also encountered by other towns. These are seasonal part time jobs without benefits that have limited applicants. The trustees have continued handling the administrative work and dealing with the funeral homes, vendors and families.

Recurring Work:

We had an average amount of mowing and trimming this year.

Flower Planters:

We owe the Lions Club a big thank you for again assisting us by planting the flowers in the barrel planters at both cemeteries. This joint project has us purchasing the flowers and the Lions doing the actual planting.

Equipment Issues:

The Hustler zero turn mower purchased last year and the older Hustler both saw routine use this year. The old Hustler zero turn mower completed its ninth full year of use in the cemeteries and required repairs due to normal wear and deterioration related to age and hours of use. We replaced two string trimmers also due to routine wear and tear. We also replaced the push mower. Our other equipment is in good shape.

Trees and New Plantings:

We have identified several trees at Pine Grove that will need to be removed due to their deterioration and the danger they present to the cemetery and people.

We also accomplished one tree removal and tree trimming in the Village Cemetery. This work was contracted out.

Cemetery personnel trimmed and shaped plantings on the lots at both cemeteries as usual. We continued to remove a number of dying and overgrown shrubs and plantings at the request of the owners.

Grass and Leveling:

We have continued the ongoing project to level and reseed some low and sunken areas of the Village Cemetery. Some over seeding of grass areas was done in Pine Grove to improve appearance and all of Pine Grove received a full application of lime to improve the soil and grass.

Projects:

Sunken Markers – We were able to raise a number of sunken markers and will continue these efforts in the future.

Granite Curbing – We did not accomplish any of this work due to manpower limitations. We will return to this project in 2020 due to the need to level a number of the curbing pieces that are affecting memorial stones.

Marble Stone Cleaning – We continued to clean marble stones at the Village Cemetery. This work will continue in 2020. You can easily see the improved appearance of these stones that we worked on over the past three years. Many marble stones need maintenance and these can easily be identified by their dark black color caused by bacterial growth that is detrimental to the stone surface. It takes at least two applications of the cleaner over a period of time.

REPORT OF THE CEMETERY TRUSTEES - continued

Budget:

We submitted a budget request that was level funded compared to last year except for the amount needed to cover projected COLA increases and step raises. We did not submit any other funding requests via the warrant articles. There are a few long term projects that we will need to begin planning and evaluating funding for in the future.

2019 REPORT OF THE TOWN CLERK

2019 was a year that began anew for the Clerk's office. Mary is getting more familiar with the process of the office and I am coming back too (health wise). We issued 489 dog licenses in 2019. Please license your dog. It is \$10.00 for dogs (\$7.50 if they are fixed).

In 2019 we processed 3,760 Motor Vehicle permits, which are renewals, duplicates, transfers, news and such. We are still only processing CASH and CHECKS in this office. Please plan accordingly.

Please remember to bring your driver's license in to the Clerk's office when doing any Motor vehicle transaction - we will ask for it. Also, remember your registration when doing a renewal or transfer. It is required and we will not be able to complete your transaction without a lot more work (and money). A lot of things have changed and will change in this office. We are only following the State Law and trying to make everyone happy.

Here's looking forward to 2020 - let's all have a healthy and happy New Year and begin the decade right!

Heidi L. Wood, Town Clerk

2019 REPORT OF THE PLANNING BOARD

Planning Boards are established to provide for the orderly growth and development of the municipality. Planning Board regulatory duties include the review and approval of all subdivisions, boundary line adjustments, voluntary mergers and site plan review applications for commercial uses or multi-family residences.

During 2019 the Planning Board commenced an overall review of our Zoning Ordinances to align with State and Federal Laws and reduce ambiguities. The revised Wetlands Protection Overlay District and Sign Ordinance will be on the town warrant in March and we expect additional updates in 2020.

We gained two new members to the Planning Board in March, Karen Craig (3 year term) and Barbara Young (one year term). Laurie Hayward, Land Use Administrator resigned in October, 2019. We expect to fill that vacancy in February, 2020.

The Planning Board spent considerable time discussing the Chinook (NextEra) Solar Project. The total project involves over 513 acres of land located south of Rt 119 near Fullam Hill Road. The solar panels and equipment will cover approximately 110 acres, with a total work area of about 159 acres. Chinook has submitted numerous detailed reports which are available on the town website under "Updates", in the Town Hall in hard copy format or on the NH SEC website. The public is welcome to review. The Planning Board continues to work with the Board of Selectmen and the Conservation Commission, gaining advice from legal and other experts to mitigate adverse impact. In New Hampshire, solar installations over 30 Mega Watts do not go through a local site plan review. The application is reviewed and approved (or denied) by the New Hampshire Site Evaluation Committee (SEC). The Planning Board welcomes public input on this project and welcomes the public to attend meetings in 2020.

In 2019, the Planning Board heard fourteen preliminary consultations and held eight public hearings; including three subdivisions, two applications for construction within the Wetlands Protection Overlay District, two site plan reviews and one boundary line adjustment.

The Planning Board values input from Town residents and welcomes you to attend meetings; and encourages interested volunteers to serve on the Planning Board as members or alternates. The Planning Board meets on the first and the third Tuesdays of the month at 7:00 p.m. in the Town Hall.

2019 REPORT OF THE ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment hears appeals for relief from zoning ordinance requirements. The Board considers the unique circumstances of each case and decides to grant relief, if warranted, based on specific criteria. They consider the impact of the proposed action on the neighborhood and the land, and whether it is in harmony with the purpose and intent of the zoning ordinance. The Board can't change zoning ordinances but is empowered to grant appeals in accordance with State Statute and local law as specified in the Land Use Code.

The Board considers appeals for Variances, Special Exceptions and Equitable Waivers of Dimensional Requirements, Appeals of Administrative Decisions and Motions for re-hearings.

During 2019, the Board of Adjustment deliberated on five cases:

- 19.01 - Denied a Variance for expansion of the dwelling in the Wetlands Protection Overlay District;
- 19.02 - Granted a Variance to permit a hammerhead lot in the Rural District with conditions;
- 19.03 - Granted a Special Exception to allow the construction of an accessory dwelling in the Rural District;
- 19.04 - Granted a Special Exception to allow the construction of an addition to the existing dwelling in the Rural District with conditions; and
- 19.05 - Granted a Variance to allow relief from the setback(s) in the Rural and Wetlands Protection Overlay Districts.

The Zoning Board of Adjustment meets at 7:00 p.m. on the second Tuesday of the month at the Fitzwilliam Town Hall when they have an application before them. The Board invites and encourages all interested parties to attend hearings and meetings as noticed.

Respectfully submitted,

BOARD OF ADJUSTMENT

2019 REPORT OF THE HISTORIC DISTRICT COMMISSION

The mission of the Historic District Commission is to preserve historic structures and places of historic and architectural value; preserve a district in the municipality that reflects elements of its cultural, social, economic, political and architectural history; conserve property values; foster civic beauty; and maintain the existing architecture of the district. The Commission reviews all exterior construction/renovation located within the Historic District of Fitzwilliam through an application process and public meetings. They are also responsible for amendments to and adoption of regulations in accordance with State statutes.

In 2019, the Historic District Commissioners met five times and used the design guidelines to review seven applications including: exterior modifications and repairs for residences; installation of rooftop solar panels and property line fencing; aesthetics updates and electricity within the Common; and handling of invasive plants like oriental bittersweet.

Applications for all exterior changes within the Historic District come before the Commission for consideration and approval. The Commission meets on the second Thursday of each month at 4:00 p.m. in the Town Hall when there is a case before it. All meetings are open to the public and we encourage participation from all those interested.

Respectfully submitted,

2019 REPORT OF THE CONSERVATION COMMISSION

The Conservation Commission continues its mission to protect the natural resources of Fitzwilliam. We thank voters for approving last year's addition to the Conservation Land Fund, and appreciate your continuing support.

The Commission continues working with the Select Board on matters relating to town concerns about the Chinook (NextEra) Solar Project, the largest photovoltaic solar project in New Hampshire. We provided consultation to the Planning Board on projects affecting wetlands and on the review and revision of the Wetland Protection Overlay District (WPOD) ordinance. Commission volunteers assisted the Monadnock Conservancy with trail work at their property on Sip Pond and the adjacent rail trail.

The Commission sponsored public information presentations on invasive species, well-water testing, and the brown fields review process. Infestations of Oriental bittersweet and other invasives have been removed by volunteers around the town hall and on some private properties. Over twenty town well owners took advantage of reduced-pricing water testing after that workshop. Since a number of wells showed high radon levels, all private well owners are encouraged to have their wells tested. The Commission maintained representation on the Meadowood Task Force that is examining future options for the former Meadowood County Area Fire Department property, which was the primary focus of the brown fields workshop.

Over the past year the Commission continued working with a consultant on installing trails in the Katie Metzger Town Forest. We also continue to monitor, maintain, stock maps, and update markers along the Widow Gage Town Forest trails, which continue to be a popular hiking location.

The waste cleanup station on the Collins Pond Road/Templeton Turnpike section of the Rail Trail continues to be highly successful. We thank walkers for cleaning up after their dogs by using the station and helping to prevent contamination of nearby wetlands and water bodies.

We continue to represent the town on the Monadnock Advisory Committee and maintain membership in the NH Association of Conservation Commissions. Members have attended workshops on open space, PFOAs, wood as an energy source, and trail siting. The Commission continues to monitor opportunities and encourage conservation of the many scenic, recreational and wildlife habitat features of Fitzwilliam.

The Commission thanks Barbara Green, a long-time Commission member, who left the Commission midyear after moving out of town. She was instrumental in organizing the very successful well-water workshop, in addition to being our long-term "budget monitor."

We continue to advise groups, applicants, and agencies on conservation matters and meet regularly with the Select Board.

The Conservation Commission meets downstairs at the Town Hall every third Monday at 7:00 p.m. We invite you to join us as a guest or new member.

2019 REPORT OF THE CODE ENFORCEMENT OFFICE

The Code Enforcement office enforces regulations of the Fitzwilliam Land Use Codes, issues permits for construction, and occupancy permits for new home occupation after completion of construction.

Upon receipt of a written complaint, the Code Enforcement Officer performs an investigation, ensures compliance of construction permits to applicable zoning requirements, dedicates Emergency 911 numbers, and reviews all construction permit applications and plans. This review ensures safety from fire, flood and establishes that all other public requirements are met. Once a permit has been granted, the Code Enforcement Officer, if necessary, visits the property prior to the start of construction to determine that all setback requirements have been met. In the absence of a Code Enforcement Officer, those duties are handled by the Board of Selectmen and staff in the Selectmen's Office. A Code Enforcement Officer was hired this summer.

If you should have any questions with regard to permitting for construction please contact the Selectmen's Office to obtain a copy of the Construction Permit regulations. Please remember that all construction, renovation, demolition and changes to buildings require a permit. We have seen an increase of construction being completed in town without first obtaining a construction permit approval. It is always best to check with our office prior to construction to determine if a permit is required. When applying for a permit, please remember to allow yourself enough time for the paperwork to be processed prior to the start date of construction.

In 2019, 56 construction permits were issued. A sampling of permits requested were for: two new single-family homes, five roof mounted solar panel systems, and eleven renovations and/or additions to existing homes. If you should have any questions with regard to building issues, please feel free to contact the Selectmen's Office at 585-7723.

Respectfully submitted,

Code Enforcement Officer

2019 REPORT OF ANIMAL CONTROL

The Fitzwilliam Police fielded many animal calls in 2019 and it's safe to say the majority were canine related. Most had happy endings, with lost and found dogs returned to their elated families. We were glad to see lots of reunions via social media. With that being said, it's important to remind you, the Fitzwilliam Police Department should be your first line of defense when you either find or lose a pet. Often times we have already taken a call regarding your pet and/or have your pet in custody. We can be reached at 603-585-6565.

We handled many calls for wild and farm animals alike; including but not limited to, horses, bobcats, raccoons, cats, pigs, deer, chickens, turkeys, turtles and cows.

As always, we appreciate the diligence of residents of Fitzwilliam in helping animals of all sorts return home, whether it's to the wild or to their human families.

Please register your dogs with the Town Clerk by April 30, 2020.

Respectfully Submitted,

Fitzwilliam Police Department

2019 REPORT OF THE ECONOMIC COMMITTEE

Once again, the lovely Fitzwilliam common was the setting for the 2nd annual Fitzwilliam Fantasy Faire. This year we featured 30+ local makers, bakers, farmers, and artisans. We hosted a series of talented local musicians, as well as the amazing players of Project Shakespeare, who entertained the young (and the old) with exciting scenes and sword fights. There were animals from local farms to visit with, games and activities for the children, our face painter returned and of course, the food was plentiful. What an amazing fun filled day! All had a fabulous time and we hope to see you next year.

This year the Economic Committee updated and printed the third version of the full color Fitzwilliam Business brochure. It is available at the Town Hall, the library and at businesses throughout town. Pick one up and take a look; please give us your feedback. The brochure is also posted on the notice board outside the town hall. In addition to business listings, it also highlights local attractions and has a small map of the town. You can find it in electronic version on the town website www.fitzwilliam-nh.gov. Look under the tab for "Boards and Commissions" and then click on Economic Committee. Please contact us at fitzeconomic@fitzwilliam-nh.gov if you would like to be included in the next edition. There is no fee, the funds for design and printing are provided by the Board of Selectmen.

The Economic Committee held two successful "Connect, Create and Collaborate" events during 2019. These events, held locally, provided an opportunity for residents and business owners to meet and network. We will continue these events in 2020 and all details will be posted in the Fitzwilliam Newsletter. As always, they are free! If you would like to host an event, please let us know via fitzeconomic@fitzwilliam-nh.gov.

We are looking for two new members to join our committee. We meet at the Town Hall in the lower meeting room on the first Monday of the month at 7:00 p.m. Everyone is welcome.

2019 REPORT OF THE MONADNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission was created by State statute (RSA 227-D:4) and is charged to advise and guide the Department of Natural and Cultural Resources (formerly, the Department of Resource and Economic Development) on the managed lands on Monadnock, Gap and Little Monadnock Mountains. State law allows the Commission to accept tax deductible donations. MAC funds are a primary source for search and rescue supplies and equipment.

Members of the Commission include two representatives from each of the towns these mountains are part of, the Monadnock State Park manager, the Director of the Division of Parks and Recreation, the Director of the Division of Forests and Lands, and the President of the SPNHF (Society for the Protection of New Hampshire Forests). Other guests include Antioch University MERE (Monadnock Ecological Research and Education) Project, SPNHF Volunteer Manager, and Monadnock State Park volunteer coordinator.

The Commission met twice in 2019. In addition, many members attended the dedication and ribbon cutting ceremony on October 4 for the beautifully renovated and enlarged bathhouse at park headquarters in Jaffrey. Regular meetings are scheduled for the Spring and Fall. These meetings include voting on any expenditures, hearing reports from the various agencies in attendance, reviewing and discussing recommendations, and new business.

Will Kirkpatrick took over as manager of Monadnock State Park in January, and has put considerable effort into staff development and trail maintenance and improvement. Day use of the State Park facilities in 2019 is up compared to the previous year, as are the number of rescues. Planning is ongoing for changes in traffic flow that would ease traffic congestion at headquarters. A trial online reservation system is planned for a limited number of spaces for day use there as well. Discussion continues on how to best plan for and develop the most effective ways to address needs related to visitor processing, trail improvement and maintenance, and funding.

Much time and effort continue to be spent attempting to understand what the effect would be of over-use of the mountain. NH Division of Parks and Recreation is still planning a carrying capacity study for both Mt. Washington and Mt. Monadnock, but the timetable for that study has yet to be established, pending the completion of other more urgent projects. Timber harvesting continues on several sites on lands surrounding the mountains.

The members of the Monadnock Advisory Commission encourage input from the citizens of our towns regarding anything to do with the care of the mountains we are charged with helping to maintain. Please contact your representatives listed below.

THE STATE OF NEW HAMPSHIRE
EXECUTIVE COUNCIL

DEBORA B. PIGNATELLI
EXECUTIVE COUNCILOR
DISTRICT FIVE

STATE HOUSE ROOM 207
107 NORTH MAIN STREET
CONCORD, NH 03301
(603) 271-3632

End of the Year Report 2019 from Councilor Debora Pignatelli

It is an honor for me to represent District Five on the Executive Council. I would like to take this opportunity to highlight some of the important work we have achieved this past year. The Governor and Executive Council had 23 meetings in 2019. Most meetings were held at the State House but six were hosted in communities around the state. I was pleased to bring the Governor and Council to District Five on September 18th when Peterborough hosted our meeting at the Peterborough Town House.

The Executive Council has been an important part of the Executive Branch of NH State Government since colonial times as a check on executive powers. In this capacity we reviewed over two thousand items that covered expenditures, appointments and contracts. Those items totaled over 6 billion dollars.

The responsibilities of the Council are very wide-ranging. In addition to approving all state contracts, as I mentioned, the Council also approves all judicial appointments, approves all people to lead our important agencies and commissions, grants or denies all pardons, protects our lakefronts and shorelines, sets the tolls on all New Hampshire Turnpikes, makes important recommendations on the Ten Year highway plan, oversees the operations of state agencies, addresses a wide variety of constituent concerns, and of course, acts as an important check on gubernatorial exercise of power.

Another important responsibility is our position on the Governor's Advisory Commission on Intermodal Transportation, otherwise known as (GACIT.) We reviewed needed transportation improvements and created a ten year plan that is submitted to the Governor and then is forwarded to the legislature. I held meetings in District Five to gather input from local leaders and citizens on what projects were important to be included and ranked in the Ten Year Highway plan. See - www.nh.gov/dot/org/projectdevelopment/planning/typ/index.htm for more information.

In November, the Council passed our recommendations on to the Governor. After 17 years of advocating for the removal of the Merrimack tolls, I was pleased that the Council recommended the toll for Exit 11, in Merrimack, be reduced to zero!

Sincerely,
Debora B. Pignatelli, Executive Councilor
